This is the first of what will become weekly e-news bulletins with updates of the goings-on at the club. Last year, Patty Kreider set the bar rather high with her weekly news bulletins. We can only hope to meet those standards this year.

We've been working hard on the Social Calendar events and have, what we think, is a pretty fine variety of activities! The first event of the season is **The Spring Fling**. Even if you are at the lake just for the weekend to open your cottage, or get in a game or two, be sure to save some time for a little bit of socializing. As always, the Happy Hours are BYOB. Please bring an appetizer to share.

UPCOMING.....

Please note that we have two popular events coming up rather soon! It is important that you sign up to be included as soon as possible. These are usually sell-out events and the caterers have asked to know the head count two weeks in advance. Even if you won't be in Greensboro much prior to the events, you can sign up in advance by phone!! 802-533-7477
