Memorial for Peter Haslam

During this past winter, long time Member, Peter Haslam, passed away, leaving his many friends with both sadness yet fond memories. He was passionately devoted to Mountain View and to the game of golf. A warm friend of most members, he also served as a member of the Board of Directors and put in countless hours doing volunteer work for the Club. Who can forget his baked potatoes on Men's Night or Bloody Marys on Men's Day Golf?

Many members feel that Peter's spirit and memory should be remembered through tangible means, and President Mike Kreider has authorized a small committee to install a bench and a plaque near the third tee. Peter always favored that view -- and from that spot he always enjoyed the ski trails still visible on Mt Mansfield in early June through the foliage season in October.

The Club is raising the funds for the purchase of the bench and plaque through private donation. Those who wish to contribute, please send a check to the club. On the memo line, write "Haslam Fund". (You can also leave the check at the Pro Shop).
