Please join your fellow advanced tennis players, members and non-members alike, each Thursday afternoon for challenging round-robin format doubles. Anyone uncertain as to whether they are an advanced (4.0 level) player may contact MVCC tennis instructor Laura Laramie at the MVCC Pro Shop (802-533-7477). Please call or [sign up at the Pro Shop each week](#) so that the Club will know how many players are coming each Thursday.

NOTE: If any 4:30 p.m. Thursday Advanced Tennis round robin is rained out, the event will be held the same time the next day (Friday).

MVCC Men’s Golf 2016

- We have had a great year for men’s golf. The **Thursday morning scramble** continues to thrive, with anywhere from 20 to 30+ golfers per week. Thanks once again to Nat Smith for keeping everything running so smoothly!
- **Tuesday Night** continues to grow, with an average of over 20 players a week. The growth in numbers is a reflection of the excellent condition of the course, thanks to Steve Parker and his team. **Tuesday Night Golf** provides a big shot of greens fees and cart rentals from May thru September and is an effective feed-in for new members and spring playing permits.
- There were two very successful mixed events: one on July 3rd with 36 players, and Founders Day with 28 players.
- We held five traditional men’s events.
- ★ **The Match Play** (new last year) had 13 entrants. The last two standing are Bang Williams and John Fixx. Hopefully they will finish their match very soon to determine the winner.
- ★ **Dan Hudson** won the **July Handicap**.
- ★ **Dave Woodruff** is the new **Senior champion**.
- ★ The big news was in the **Club Championship! Drum Roll!** The winner was 16 year old **Kyle Wright!** Wyatt Smith was runner up, so the top two were under 20!
- ★ The **August Handicap** finals will feature John Stone III and Tim Patterson.

Congratulations to all the winners!!

I would like to thank everyone who participated this year, and especially thank our Pro, Jim Dayton, for running the events so well.

KIDS' NIGHT - LAST ONE!

We have had a great turnout at Kids' Night this summer, so much so that we are squeezing **one more in this Wednesday night!**

Our smallest night brought eleven kids, but we've had as many as 32! Thank you to all the people who helped me out by hosting a Kids' Night! It has been 4 fun years and I am passing on the torch - details to come. So, come and join us on Wednesday night at 6:00 - sign up your kids at the pro shop (to be included in the pizza count) or just bring yourself and your cocktail of choice and come hang out while the kids have fun!

See you there!

MAH JONGG CONTINUES AT THE CLUB

Cherry Rowell has been leading Mah Jongg games and classes and reports that the Monday games at 1:00 will continue through Labor Day.

An instructional Mah Jongg game is offered on Thursdays from 10:30 to 12:30 through August. People interested in these should email Cherry at csrowell248@comcast.net.

HEY MEMBERS!

We need YOU to introduce New Members!

We welcome new members at Mountain View Country Club and encourage each of our existing members to introduce their friends, neighbors and family members to the Club!

Now is a particularly good time to join Mountain View as we will **reduce** a new members' 2016 dues based on the number of days remaining between July 1 and August 31 (think 1/62nd per day and you'll get the idea!). We also allow new members to pay their initiation fee over five years to ease the up-front cost of Club membership.

Questions? Send an email to membership@mvccvt.com or call our membership chairman, Rick Ely, at 802-533-7768.
