## MAH JONGG MONDAYS

Happy Memorial Day! Greensboro looks lovely - and MVCC is in wonderful shape. The first event of the season - The Spring Fling - was well attended Sunday. Yesterday three of us played Mahjong on a rainy Monday...

We will be playing **MahJongg on Mondays from 1:00 to 4:00** this summer at the Club. This game is for experienced players playing at a faster pace. For any of you who are unsure about how "experienced" you are, come along and observe and we will figure out how to get everyone playing. I'm sure some of you haven't thought about MahJong since last summer, but you will pick it back up quickly. You will need to have the new 2017 Mahjong card, which you can order from [Amazon.com](https://www.amazon.com) here. The important thing - We want to have fun and get better over time! Do come!

**For the next three weeks (June 5,12,19) please email Cherry to sign up.**

**We need to know who is interested in order to set up enough tables...**

I will be teaching another beginners course in July. If you know of anyone who is interested in learning, have them email the club or me directly...

Happy summer!!!
