A scenic photograph of a sunset over a body of water. The sun is low on the horizon, creating a bright orange and yellow glow that reflects on the water. Several sailboats are visible in the distance, their silhouettes against the bright sky. The sky is filled with soft, wispy clouds. The entire image is framed by a blue border.

MARTHA SAYS THANK YOU

I was overwhelmed to hear the kind message of Tom Woodward today announcing my name to receive the 2017 Founders Day Award. I am pleased to share this with Jennifer Ranz who also received a plaque. I have enjoyed my little job of choosing and planting the flowers around the golf course and the planter on the porch of the club house. I never thought of it as work, just a bit of input to make the Club we all love shine amidst the lush green fairways, tee boxes and greens. This spring the young plants got chilled and doused with hail twice which made growth stunted in the first month or so. A few sunny days and warmth brought them back to life. It is with my profound thanks to all our members and guests for this honor.
