## "CANADA GOLF"

The **Canadian Seniors Group** is comprised of groups from about a dozen clubs in Quebec, AND MVCC (the only American group!). The late Bob Hart's connection with the Dufferin Heights Golf Club led to this extraordinary relationship. The "tour" affords members the opportunity to play approximately 1 round a week from May to September at a variety of courses in Canada and Vermont's Northeast Kingdom at very favorable rates. The MVCC contingent is always looking for new members so anyone interested in hearing more about this group should contact Bob Calcagni at [robertcalcagni@gmail.com](mailto:robertcalcagni@gmail.com).

## FALL TENNIS

Sunday Round Robin will continue for “hangers - on”, until at least the **3rd week of September**. Steve and Laura will keep a few courts playable while preparing the rest for winter. Steve is willing to do this every year. We will have to see if the new fence construction between the upper and lower courts impedes court use.

This has been a great summer for Sunday Round Robins; our best ever was last Sunday with 6 courts actively playing great tennis. It was delightful to see!

Many thanks to Jim Peale’s grandchildren who donated a beautiful bench so tennis-loving, tennis-playing Grandpa does not have to sit on the rock! And kudos to Day Patterson for selecting and overseeing the “install” on a timely basis.

## SOCIAL COMMITTEE NEEDS YOU!

After a very successful summer of 11 social events, the MVCC social season draws to a close with the **Hangers-On Potluck** supper on Saturday, September 16th. This event is a quieter gathering with generally 25-30 people attending. Please join us for this event — sign up in the pro-shop so we know how many tables to set up.

Is there anyone out there who would be willing to take on the leadership of our Social Committee? The **Social Committee Chairperson** oversees the summer social schedule and coordinates our volunteer hosts.

And speaking of **hosts**, we could still use a few more hosts to manage specific events! A schedule of events will be made over the winter, and we have all the information you will need.

If you already volunteer but still want to “be on deck”, send an email to Wendy Parrish: [wmparrish@mac.com](mailto:wmparrish@mac.com). If you want to be on the “on call” list, send us an email. It is time we updated our social committee list and add some new names!

All the fun events were successful because you attended and we have a core of great volunteers. Since many hands make light work, we ask you to be a part of our success and volunteer!

**DEMO CLUBS** — Callaway Epic demo drivers must returned to Callaway or sold to **you**. The Pro-shop is now offering the demo price of **\$349**, regularly \$499! There’s only three so buy yours NOW while the supply lasts.

# SEE YOU NEXT YEAR!!
