

A family friendly club with youth programs.

This hidden gem of the Northeast Kingdom was established in 1898 and is one of Vermont's oldest country clubs. The experience at MVCC is magical – from the breathtaking views on our downhill 3rd hole to the panorama from the 8th green and 9th tee. While not a long course, there are plenty of challenges for the experienced golfer, from blind doglegs to challenging greens and tight fairways. The par 35 layout has been featured in Travel + Leisure Golf Magazine and the feel is enchanting.

Golf was first played here in 1898 on a dairy pasture. Though little evidence exists today, we shared the course with cows until well into the 1960s. Trees have grown larger and the forests have tightened up the fairways some, but little else has changed.

From the blue tees, the course measures about 3000 yards. Our seven clay tennis courts are simply the best around!

OUR CLUBHOUSE

The center for an active membership, our beautiful clubhouse is available for rent to host parties and events. Our regular rental rates are discounted for non-profit organizations. Contact us to learn more!

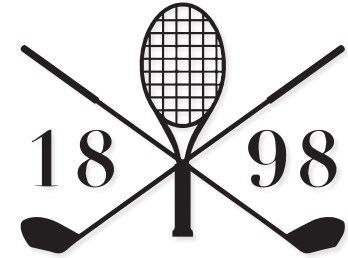

DIRECTIONS

MVCC is located on Country Club Road in the heart of Greensboro, Vermont. From Willey's Store, head south, up the hill and turn left on Country Club Road.

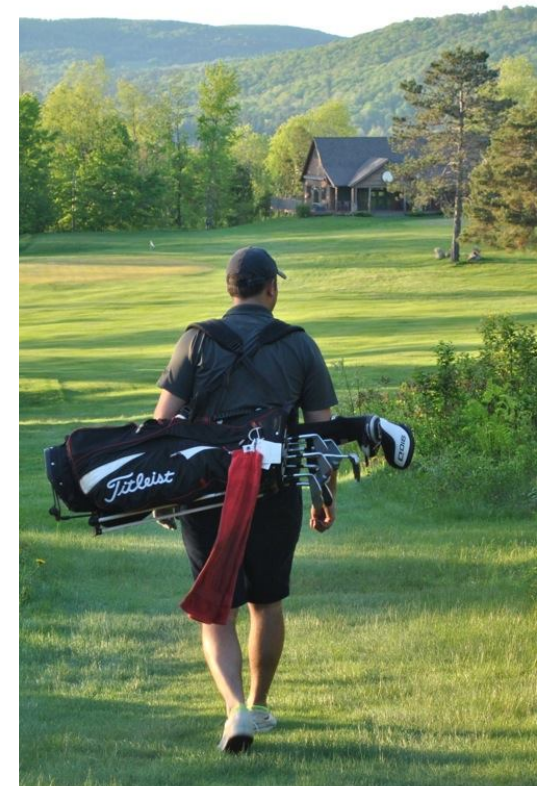

MOUNTAIN VIEW COUNTRY CLUB

A Greensboro tradition since 1898.

Welcome to Mountain View Country Club

A GREENSBORO TRADITION

Mountain View Country Club is a family-friendly golf, tennis and informal social club in beautiful Greensboro, Vermont. We welcome new members, visitors and guests.

The club features a challenging par 35, 3,000-yard, nine-hole golf course with hillside fairways, undulating greens and spectacular views.

Our seven red clay tennis courts are outstanding and offer active play throughout the season.

We are rooted in the long-standing Greensboro summer community. From mid-May through foliage season, you will find easy access to tennis and golf and informal and welcoming social activities.

TENNIS

Improve your game and challenge your skills while using our seven professional clay tennis courts. Lessons, clinics and competitive events are scheduled for tennis enthusiasts of all ages. Sunday round robin and club championships are at the center of the tennis experience.

GOLF

Golf Practice Facilities include a driving range, practice green and practice bunker. Golf instruction and clinics are available during the summer months and the pro shop is well stocked with equipment including logo clothing.

MEMBERSHIP OPTIONS

Options include family, dual, single, junior and social options as well as seasonal playing permits and guest and visitor playing privileges. In addition to golf and tennis, the Club offers a program of informal social activities including BYOB cocktail hours and potlucks, as well as other special events at our clubhouse, newly built in 2005.

Our members include both summer and full-time residents, as well as regular visitors to Greensboro and neighboring communities who take advantage of our premier golf, tennis facilities and social programs.
