

MVCC Regulations

Please observe the following MVCC Regulations:

Pro Shop Sign In

Sign In at the Pro Shop is required for everyone before playing tennis, pickleball or golf or receiving any lessons.

Guests and Visitors

Guests and Visitors are welcome at Mountain View Country Club. Non-members who wish to play golf or tennis may register as a Guest if they are accompanied by a member and otherwise must register as a Visitor. Pickleball play is limited to our members and their accompanied guests. We also limit the total number of times a non-member may play golf, tennis and pickleball to four times a season in total, except for additional play that is approved by the President or the Board.

Tennis & Pickleball

Shirts must be worn and all players must wear smooth, rubber-soled tennis or pickleball shoes without heels. Cross-trainers are not acceptable. When play is completed, tennis players must sweep the courts and lines. In order to prevent damage to our courts, following a rain storm no tennis play may commence until permission is granted by the Pro Shop staff or Steve Parker, our Superintendent.

Golf

Golfers may not wear metal spikes or Black Widow plastic spikes on their golf shoes. Any sneakers are okay but not hiking or work boots. Golfers must wear shirts. For everyone's benefit please play "ready golf" and thereby keep the pace of play moving right along. If the players behind you have to wait on most shots, please wave them through. Please replace divots on fairways and repair ball marks on greens.

Carts

Please keep all carts off the greens and tees, even pull carts. Keep motorized carts at least 30 feet from the greens and away from wet areas.

Thank you!
